SuperPipe 2+ piping system

SuperPipe International

STATEMENT BY KIWA

This product certificate is issued by Kiwa on the basis of BRL 5611 "Plastics piping systems of PE-RT/Al intended for heating installations: radiator connections", dd 01-06-2008 in accordance with the Kiwa regulations for product certification.

Kiwa declares that legitimate confidence exists that:

- that the by the producer manufactured products comply with the technical specifications as laid down in this technical approval-with-product certificate provided that they have been marked with the KOMO[®]-mark in the manner as indicated in this technical approval-with-product certificate;
- The with certified products composed SuperPipe 2+ piping system provides the performances as described in the technical approval-with-product certificate, provided that:
 - The manufacturing of the SuperPipe 2+ piping system takes place according to the processing methods as laid down in this technical approval-with-product certificate;
 - The application conditions as described in this technical approval-with-product certificate are met.

Within the framework of this technical approval-with-product certificate Kiwa does not impose any inspections with regard to the production of the SuperPipe 2+ piping system, nor the manufacturing of the SuperPipe 2+ piping system.

Bouke Meekma
Director Kiwa N.V.
